

Your Sick Child Is Constipated! Look at Tongue

Hurry, Mother! Remove poisons from little stomach, liver, bowels.

Give "California Syrup of Figs" if cross, bilious or feverish.

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given. If your little one is out-of-sorts, half sick, isn't resting, eating, and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that the little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomachache, diarrhoea, sore throat, full of cold give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeiters! Ask your druggist for a bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."—Adv.

PIMPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cured with a dark brown taste, it is bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad complexion or pimply face.

Dr. Edwards' Olive Tablets are the most effective remedy for a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the most effective remedy.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.

THE "MAKINGS" OF A NATION

Capt. F. W. Lutz, Second Ill. Inf. "Rolling his own"

They All Want "Bull" Durham—read this clipping from the N.Y. Herald

GENUINE "BULL" DURHAM TOBACCO

Guaranteed by The American Tobacco Co.

While Squadron A was passing tobacco and cigarettes were thrown to the men. Ahead of one man were several packages of cigarettes attached—in other words the "makings." The trooper swung low from his saddle and, ignoring the "ready-made," picked up the "makings." It was a real wild west stunt and he was roundly applauded. His choice was expected—"Bull" Durham is the old army game.

United States To Have Largest Drydock

The entire eastern coast of the United States has been carefully inspected for desirable sites for Government shipbuilding purposes, and several have been selected. The above picture shows one of the new sites, where excavating for the largest drydock in the world is going on. It is founded on a solid rock foundation, and will take three years to build.

The cost of the drydock is placed at \$5,000,000, and when completed will be 1,225 feet long and about 155 feet broad.

Robert Patterson, and later presented to General Jackson at his inauguration.

President Wilson is expected to attend the bonfire celebration of Liberty eve. Mrs. Wilson will surely be among the honor guests, as will the various Cabinet members and their wives, and other officials of the Government and foreign embassies.

By Card Only. The roadway encircling the foot of the Monument has been reserved for them. Automobiles will approach the Monument base from Fifteenth street, and will be admitted by card only.

MRS. M'ADOO TO PUT TORCH TO BIG LIBERTY BONFIRE

(Continued from First Page.)

When the pyramid is completed it will be sprayed with hundreds of gallons of kerosene and other oils, to add to the blaze.

Many pieces of historic wood, sent by the various States, will add fuel to the flames. There are pieces from the birthplaces of Presidents Wilson, Cleveland, Jackson, Johnson, and Polk. Illinois has sent a piece of wood from Lincoln's old home and Missouri a piece from Grant's log cabin.

Historic Flag Pole. Arkansas has contributed a piece of the flag pole carried by Col. Archibald Vell's regiment in the Mexican war; North Dakota, a shingle from General Custer's headquarters at old Fort Lincoln; Florida, a piece of wood from the De Soto Oak at Tampa; and North Carolina, a piece of wood from Lower Cape Fear, the scene of the first armed resistance to the stamp act in 1766.

While the fire will be lighted by an electric button touched by Mrs. McAdoo, she will send up the first flame on its edge from a candlestick given by Napoleon Bonaparte to General Jackson.

A second bonfire celebration is to be held by the residents of Cleveland Park, Chevy Chase, Pinhurst, and Richmond Park, at the Bureau of Standards tonight.

Smaller celebration have been planned in every city and town by the National Women's Liberty Loan Committee. When the beacon on the Monument top blazes up an answering fire will be started on the Virginia hills near Arlington. From there the signal fires will spread across mountains and prairies to the Pacific. Before the last one beyond the Sierras smolders into ashes Liberty day will dawn and the people will be marshaling their millions for victory.

Big Day Celebration. Liberty day in Washington will be marked by a big civic celebration on the Ellipse at 2:30 o'clock, and by forty or more community celebrations throughout the city and its suburbs. These are under the auspices of the various citizens' associations, and speakers and bands are being supplied by the Liberty Loan Committee. Fire bands are at the disposal of the loan committee.

Georgetown residents are to have a mass meeting at Western High School at 8 o'clock tomorrow night. The South Washington citizens will hold their celebration tonight in the Jefferson School.

All of the departments in Washington will probably be closed for half a day tomorrow, that employees may celebrate Liberty day.

TODAY'S BEAUTY HINT

It is not necessary to shampoo your hair so frequently if it is entirely and properly cleansed each time by the use of a really good shampoo.

The easiest to use and quickest drying shampoo is one that brings out all the natural beauty of the hair and may be enjoyed at very little expense, by dissolving a teaspoonful of castor oil, which can be obtained from any druggist, in a cup of hot water.

This makes a full cup of shampoo liquid, enough so it is easy to apply it to all the hair instead of just the top of the head. This when rubbed into the scalp and onto every strand of hair, chemically dissolves all impurities. It is very soothing and cooling in its action, as well as beneficial to both scalp and hair. After rinsing out the latter so created, you will find the scalp is fresh, clean and free from dandruff, while the hair falls quickly and evenly, developing a bright luster and a soft fluffiness that makes it seem very heavy.—Adv.

FILM STARS WILL AID LIBERTY LOAN HERE TOMORROW

All Washington is preparing to turn out tomorrow to participate in the Liberty Loan Day celebrations, which are to be held all the way from Georgetown to Annapolis, and from the Potomac north to the District line.

All the Government departments will close at 1 o'clock to give the employees opportunity to participate in the celebration, and all indications are that tomorrow will be a red letter day in the Liberty loan campaign in Washington.

Movie Stars To Aid. The Liberty loan committee is busy today making arrangements for the accommodation of the "movie" stars who are expected to arrive from New York to aid in bond sales tomorrow.

Tom Moore is still in New York completing arrangements for bringing the stars here and telephoned the committee this morning that he expected to bring at least a dozen here.

All the banks are thronged today with bond buyers, and indications are that the total number of subscriptions today will be in excess of those of yesterday, which was the largest day thus far.

The South Washington Citizens' Association is to hold its community celebration tonight in the Jefferson School building. The Engineers' Band is to provide a program of patriotic music. Col. John G. Capers is to address the meeting in behalf of the Liberty loan committee. R. Harrison Johnson, president, will preside.

Other citizens' associations are planning to hold their Liberty loan celebrations tomorrow afternoon and evening. The Liberty loan committee has assigned speakers to address these meetings tomorrow.

A joint celebration by the Cleveland Park School and Community Association, the Chevy Chase Home and School Association, the Chevy Chase Citizens Association, and the Pinehurst Citizens Association, is to be held in the Bureau of Standards, 7:30. The speakers will include E. F. Coladay, C. H. Fullaway, and Commissioner W. Gwynn Gardner.

The West End Citizens' Association will hold its celebration in the Circle Theater, at 1 p. m. T. W. Sidwell and C. W. Farr have been assigned by the committee to speak. Arrangements also have been made for a band.

STAGE BIG PARADE TO BOOST LIBERTY LOAN

ALEXANDRIA, Va., Oct. 23.—Fully 4,000 persons are expected to take part tomorrow in the big parade to boost the sale of Liberty bonds in Alexandria. More than 1,200 artilleymen from Camp St. Asaph will take part, as will a troop of cavalry from Fort Myer.

Other participants will include all of the school children of the city, members of the Fire Department, Boy Scouts, and the Home Defense League members. Following the parade there will be patriotic exercises at the Confederate Monument, Washington and Prince streets.

ROOSEVELT BACK HOME

OYSTER BAY, N. Y., Oct. 23.—Col. Theodore Roosevelt returned to his home at Oyster Bay last evening, fifteen pounds lighter than he was two weeks ago when he went to Jack Cooper's health farm at Stanford, Conn.

Too Much Meat Bad For the Kidneys

Most of us eat more meat than our systems require. It creates uric acid, overworks, and weakens the kidneys and brings on attacks of backache, rheumatic pains, headaches, dizziness, and a dull, drowsy, tired or listless condition. If you are in this run-down state, lighten the diet a bit and assist the kidneys with Doan's Kidney Pills. Thousands praise Doan's for quick, satisfactory results.

Another Washington Case

W. H. Murray, 783 Tenth street southeast, says: "I have found Doan's Kidney Pills to be just the right remedy for rheumatic pains. That has been my trouble more or less for a long time. Whenever I feel an attack coming on, I take Doan's Kidney Pills and they give me quick relief. I have recommended them to many friends and they, too, have found them fine."

A New, Harmless Way to Banish Hairy Growths

(Beauty Topic)

By following this suggestion any woman can, in the privacy of her own home, remove every trace of hair or fuzz from her face. With powdered talc and water mix enough paste to cover the not wanted hairs; apply and in 2 or 3 minutes rub off and wash the skin. This method is unailing, harmless, and quick in results, but care should be employed to get the genuine talc.—Adv.

ALAS, POOR SMOKERS! MUST PAY EXTRA TAX

Cigar and cigarette smokers have been the first to feel the effect of new war taxes.

The new revenue law, as affecting present stocks of tobacco, went into effect October 4. Tobacco dealers are required to pay the new war tax on all goods held in stock on that date, although they are given until November 5 to submit inventories.

The situation, arising from where retailers, compelled to pay taxes on stock on hand, felt compelled to place this tax on the sale price. Where retailers were compelled to buy new stocks from wholesalers they found the tax added to the wholesale price and correspondingly raised retail prices.
